The image shows the Blogger 'Edit Link' dialog box with four numbered steps:

- Step 1:** Select the text "click here to bid" (circled in red).
- Step 2:** Click the "Link" button in the toolbar (circled in red).
- Step 3:** Paste in the DPW Auction URL below (the URL <http://www.dailypaintworks.com/buy/auktion/1884> is entered in the 'Link to:' field).
- Step 4:** Click OK and you are done! (the OK button is circled in red).

The dialog box also shows the 'Text to display' field with 'click here to bid', the 'Link to:' section with 'Web address' selected, and a 'Test this link' button. A small text box at the bottom right of the dialog provides instructions: "Not sure what to put in the box? First, find the page on the web that you want to link to. (A search engine might be useful.) Then, copy the web address from the box in your browser's address bar, and paste it into the box above."
